Mini Insights

Foundation Phase Stationery:

All foundation phase stationery will be kept in storage. Learners will be given stationery per term according to their requirements. We are also facing the frustration of a number of parents not handing in all stationery. Please note that this slows the teaching process down as educators would constantly have to ask for items via the diary. Please urgently send through all portfolio files and plastic covers. Our scheduled formal assessments will also start taking place soon.

Temporary Timetable:

All learners from Grade 4 – 12 were issued with a temporary timetable which will be finalized and uploaded to the D6 by Friday, 18th January.

Extra Mural Activities:

Please ensure that all learners from Grade 4 – 11 bring along a reading book every Wednesday. This will encourage them to read during the reading period. There are a number of extra mural activities happening at school, please encourage learners to participate.

Medication:

Please inform learners to bring all medication to the office and it will be administered by our secretary.

Sports T Shirts:

Sports colours will be allocated by the end of January. Learners need to purchase a Sports T Shirt and the cost is R100.

Grade R Dress Code:

Parents must please ensure that learners are dressed comfortably. Girls are discouraged to wear dresses due to the nature of the activities. Please also send a cap for learners and apply sunscreen.
